

the performance and modified ford club

was set up in September 2001 by a group of enthusiasts who wanted to show their cars but didn't want to be restricted to a particular marque or model.

caters for any Ford, performance, modified, or standard! We have members with a vast range of cars, from Old skool Consuls and Anglias through to the latest Focus and Fiestas, and not forgetting the famous XR's, RS's and more recently the ST's.

We have members with heavy modified cars and others with their Fords the way Uncle Henry intended, and everything in-between!

We offer the opportunity to attend shows and the main emphasis is on having a good time. The club is divided into regional areas, spanning across the country. Upon joining you will be given details of the regional co-ordinators. Everyone is welcome at shows in all the areas. We plan to attend as many shows as possible each season, which generally run from April to September, these include Fordfair, Trax and RS days. So, with branches around the country we hope to cater for everyone.

There are also regional pub meets in most of the areas. We aim to provide as many places as possible for members to display their cars at shows, which are in generally good condition but not necessarily concours. But if you own a concours car please don't feel that you would be made to feel unwelcome, we do have members who compete at concours shows and do very well.

Membership costs £10 per year (feb-feb), which gives you a window sticker, a membership card, a newsletter with up-to-date news and reports twice a year. And the all-important access to as many of the shows as you'd like to attend. Other items of merchandise are available such as various club stickers, clothing and more. We also have discounts with several companies. As well as the newsletter we have intermediate updates via call/text (depending on which you choose). Fordsport has a forum, facebook and twitter accounts too.

Renewals are all in February so if you join part way through the year please use the following amount for your membership cost:

FEB - MAR £10.00, APR - MAY £8, JUNE - JULY £6, AUG - SEP £4, OCT - NOV £2
